

CPT Nikki Fiel

HUNTFit Personal Training Program

Backcountry Outfitters is excited to share Nikki Fiel Fitness program with all our hunters!

These Hunts are truly a once in a life time experience in the back country of the beautiful San Juan Mountains. Being prepared for your hunt doesn't stop at sighting in your rifle or bow, and checking your packing list. Being Physically Fit to conquer the Mountain terrain can be key to getting the most out of your hunt.

To help you Prepare for your upcoming adventure Backcountry Outfitters is excited to work with CPT Nikki Fiel and her HUNTFit Personal Training Program. Nikki is a client of Backcountry Outfitters and took home a great 5x5 bull in our 2018 season. She knows firsthand the need for proper preparation physically and will build you a personalized routine focusing on strength and endurance from fitness to meal design with weekly or monthly check ins to evaluate your progress.

Nikki is a Certified Personal Trainer in Williamsport PA, who grew up in the wilds of Northern Michigan on the Family Farm. Hard work, Horses, Hunting, Fishing and Outdoor Adventure has always been in her blood and she brings this passion and love for life to her work with her clients. She and has worked with countless clients from 7 to 87 to help them reach their goals of strength, conditioning, weight loss and a healthy lifestyle. Also, a keynote speaker who has shared the stage with Arnold Schwarzenegger at one of the largest health and fitness events of the year she strives to show her clients the benefits of a healthy lifestyle and living life to its fullest.
